IMPORTANT INFORMATION FOR STUDENTS (and their parents / legal guardians)

1. Before Taking Admission - Each Candidate, His/Her Parents & Legal Guardians are required to -
- (a) Go through the FIITJEE eSchool Leaflet / Brochure / Information Booklet, word of advice, selection letter & website thoroughly. Other than these no other verbal assurance of any kind is given by FIITJEE eSchool.
 - (b) It is advised that student undergoes a comprehensive Medical Examination to ensure that he/she is physically & mentally fit to take the rigors of preparing for a competitive exam including but not limited to JEE Advanced & JEE Main etc. as the case may be.
 - (c) Meet few FIITJEE / FIITJEE eSchool students successful in IIT-JEE / AIEEE {now JEE Advanced & JEE Main respectively}, NTSE etc & learn what made them successful. What was the contribution of FIITJEE in their success? Also meet a few FIITJEE students not successful in IIT-JEE / AIEEE {now JEE Advanced & JEE Main respectively} / NTSE & learn why they could not qualify IIT-JEE / AIEEE {now JEE Advanced & JEE Main respectively} / NTSE.

We highly advise that you also talk to Non - FIITJEE eSchool students both successful in IIT & the unsuccessful ones, to form a clear opinion regarding what a coaching institute can do for you.

Please do not take admission at FIITJEE eSchool if you think FIITJEE eSchool is not the best for coaching.

An intelligent student having aptitude & analytical skills for JEE / NTSE etc has to have self study for at least 3 hrs. for every hour taught at FIITJEE eSchool. Needless to say if you have not been a highly analytical student you have to put in even greater efforts.

For success in JEE, it is also important to have excellent performance In XII Board Exams. Furthermore, JEE is a different exam where you will feel lost if you do not focus on fundamentals and/or you do not develop / have high analytical skills. Any amount of effort will be in vain without high analytical skills. Admission at FIITJEE eSchool does not mean that you have high analytical skills. FIITJEE eSchool teachers will guide you in such a way that your fundamentals are strengthened and you can improve your analytical skills tremendously, whether it happens or not will depend upon you. The only way to develop strong fundamentals & improve your analytical skills & therefore your chances to get through JEE Main / JEE Advanced / NTSE, etc with excellent School / Board performance is to solve each & every problem in FIITJEE eSchool assignments yourself. You may have to make several attempts & even go back to your basics to refresh them to solve a particular problem. It is this intensity & quality of effort which will help you develop good analytical skills. Ultimately a student who is enrolled with institute will have to continuously work hard and must be regular in studies. In case, the teachers feel that the student is not working hard, is creating indiscipline in the Institute, is irregular in attendance or is not responding properly, he/ she may be expelled from the institute. The decision of FIITJEE eSchool in this regard will/shall be final and binding on the students. No fee or part of the fee will be refunded in such case.

In the end remember, while anyone can appear in JEE Main / JEE Advanced or pretend to prepare but only the ones who walk the right path will succeed. FIITJEE eSchool has no magic potion to make you successful. Preparing to achieve optimum performance in both Boards & JEE will challenge every bit of your mental & physical energies.

I hereby agree to the aforesaid terms & conditions on my own volition & without any undue influence.

2. FIITJEE eSchool starts making arrangements of infrastructure, faculty & other resources about 6 months before commencement of financial year. FIITJEE eSchool admits students as per its capacity plans, (subject to unforeseen circumstances & usual organizational risks) therefore each student taking admission has to pay complete fee under all circumstances i.e. even if he/she discontinues for any reason whatsoever or parents /guardians be transferred. Not all students who sit in our admission test are offered admission therefore you & parents have to be very sure before taking admission as you have to pay complete fee under all circumstances.

Once a class starts FIITJEE eSchool does not admit any students. Therefore, any vacancy created by a student leaving cannot be filled up. Since FIITJEE eSchool has to source infrastructure, faculty etc. in advance, loss of fees of students leaving after taking admission will compel the institute to enhance fees for next batch of students which is unfair to them. Therefore, students / parents must clearly understand this important aspect and take admission only if they are fully satisfied.

3. FIITJEE has been producing the highest number of selections in IIT-JEE / JEE Advanced from Classroom programs for the last 25 years, since 1997 and from all programs for the last 24 years since 1998. FIITJEE students have also been excelling in NTSE, KVPY, Junior and Senior Olympiads. Many unethical institutes with an intention to highjack FIITJEE results approach students, prepared by FIITJEE through its hard work & strategic inputs, in a bid to lure these students to join them. Such unethical and unfair activities by other Institutes should be discouraged by students / parents by not indulging in the same.
4. Any change in government rules, regulations, policies pertaining to the courses of competitive exam such as JEE Main / JEE Advanced, Olympiads, KVPY, NTSE etc. which may render these exams as deleted or cancelled. In such eventuality, FIITJEE eSchool shall not be held responsible in any manner whatsoever. However, FIITJEE eSchool shall take all necessary steps to protect the interest of students.

I hereby agree to the aforesaid terms & conditions on my own volition & without any undue influence.

DECLARATIONS / UNDERTAKINGS

14. FIITJEE eSchool has enjoyed great relationship with the students and parents. Almost all students in every class and every program have been succeeding in coping up with huge pressure of simultaneous preparation for competitive exams along with school / board studies. In few cases where some students do discontinue because they are not able to cope up with simultaneous competitive exam preparations along with school / board studies, the parents have continued to support the good work of FIITJEE eSchool.

What will constitute deficiency in service?

If the average feedback of the particular subject teacher goes below 70% in the Feedback Form “Annexure - FB” (attached herewith), then the said teacher will be considered to teach below the minimum FIITJEE eSchool Standard. If a teacher gets less than 70% feedback in two consecutive periods then his/her teaching will be considered unsatisfactory by high FIITJEE eSchool standards.

15. I/We have fully satisfied ourselves with regards to quality and excellence of teaching at FIITJEE eSchool from all available information / sources and have decided to study only at FIITJEE eSchool. I/We wish to pay the entire fees as per the Fee _____ (Fee Plan I / Fee Plan II / Fee Plan III) option (the same is signed by me & the student and is attached with this enrolment form) at our own sweet will and convenience without any pressure / coercion from any one.

16. I/We agree to submit a photocopy of the JEE Admit Card of the student by 25th March of the concerned JEE year to FIITJEE and admit card of various Other Engineering Entrance Exam as soon as I/We receive the same from the examining body.

17. I/We fully understand that FIITJEE eSchool is giving the scholarship because the student is expected to bring laurels to FIITJEE eSchool and will spread good word of mouth among the students. I/We undertake that I / we shall / will fully cooperate to achieve this objective including giving the JEE Admit Card before 25th March of the concerned JEE year and signing the letter of appreciation lauding FIITJEE eSchool efforts. I/We further undertake that I/We shall attend the seminars / workshops / felicitation / interview etc. conducted by FIITJEE eSchool after achieving rank by the student; however FIITJEE eSchool shall alone bear the entire cost and expenses in respect thereof. I further undertake to endorse the efforts and contributions made by FIITJEE eSchool In achieving the rank while giving Interviews to the media (print / electronic / web). If we fail to give the JEE admit card by 25th March of the concerned JEE year, FIITJEE eSchool will have the right to discontinue the scholarship and/or recover the scholarship with interest and the student /parents / legal guardian will have no objection to the same.

18. I/We (student and the parents) declare that FIITJEE eSchool will have sole claim over the outstanding academic performance of the student and further agree to give a letter of appreciation to FIITJEE eSchool for the outstanding result in form of a Letter, a Video Interview or any other forum / format that FIITJEE eSchool deems fit.

19. I/We undertake and acknowledge that incase I/We indulge in any kind of litigation with FIITJEE eSchool, I/We shall not be entitled for any Awards / Rewards / Scholarships / Benefits etc. from FIITJEE eSchool and shall refund / return such Awards / Rewards / Scholarships / Benefits etc. If availed by the student, within a period of 15 days, failing which FIITJEE eSchool shall be entitled to recover the same through the appropriate court / forum alongwith interest, damages and cost of litigation.

20. I/We undertake that I (student) shall not indulge in any illegal / unethical / unprincipled / immoral / corrupt / dishonest activities which may cause loss of property, reputation and goodwill of FIITJEE eSchool. I / We further undertake that I/We shall compensate for/ indemnify against any loss /damage caused to FIITJEE eSchool.

21. If a student is awarded scholarship by FIITJEE eSchool and does not perform at a similar level after joining FIITJEE eSchool Program then a probe may be lodged to find out if the student got scholarship on his / her own merit or by using any unfair means. Parents and Guardians of the student will be liable to pay back full fee of the program (that the student is enrolled for) with interest plus expenses towards investigation and also a compensation of Rs. 10 Lacs, if the investigating committee concludes that student had not secured the scholarship on his / her own merits.

Therefore, if your child has got scholarship using unethical means please do not take admission at FIITJEE eSchool.

22. I / We undertake not to fall prey or voluntarily participate in any Poaching activities. “Poaching” means the acts of competitor of FIITJEE of luring, inducing and/or coercing the students studying with FIITJEE and already trained by FIITJEE, to leave FIITJEE and join their institutes anytime during the course, after FIITJEE has put considerable effort, time and toil in training them and prepared them for various competitive exams. Further, apart from intellectually investing in its students, FIITJEE also provides monetary incentives to several students in the form of scholarships and rewards and the students have also been giving positive feedback with respect to the services provided by FIITJEE. Therefore, any acts of Student / Guardian in conniving with a Competitor to enable such Competitor to claim the benefit of all the hard work put in by FIITJEE shall also come within the ambit of ‘Poaching’ defined hereunder and in such cases the act of such Student / Guardian shall amount to abetment of Poaching and such Student / Guardian shall be equally guilty of committing a contractual breach hereunder and shall be disqualified for any rewards and the scholarship given at the time of admission shall stand withdrawn besides being made liable for punitive damages. It is further clarified that mere referring to study material, other than the material offered by FIITJEE will not be covered within the preview of the aforesaid.

I hereby agree to the aforesaid terms & conditions on my own volition & without any undue influence.
